- BRITISH -
SPARKLING SPRING WATER

infused with wonky fruit & vegetables

- LOW -
CALORIES

No calories - No Sweeteners (naturally)

Wonky fruit,
massive
bubbles and
low in calories

OUR STORY

- WHO -

We're Alex and Jack and we used to sell mainstream fizzy soft drinks. Both from farming backgrounds, we've seen first-hand just how much produce never even gets to our plates. It's time to do something about it, 100% naturally.

- OUR MISSION -

To naturally hydrate the nation and reduce food waste in a fun, sustainable way.
