

Real fruit juices
with nice herbal
blends

Kombucha is an ancient drink known in China as “the immortal health elixir”. Made with 100% natural ingredients, we only include the freshest and delicious flavours: from tropical Pineapple to spicy Cayenne pepper. We proudly follow the original Chinese recipe: we only use high quality, natural ingredients, green tea fermented with organic raw cane sugar and our own culture of live bacteria and yeast. That’s how we get authentic, 100% kombucha, with a great taste. Pure and yet delicious. Ancient and yet unique. Bubbly and yet fresh-tasting. The best choice of drink to help you become the captain of a happy, healthy and fulfilled life.

At the GUTsy Captain Company, we want to inspire you to become the captain of your life. We see life as a sequence of choices and our role is to help you to choose wisely. We believe that what we put in our engine affects our overall wellbeing. So, for some net gains and naval goodness, wave goodbye to artificial drinks and try our Kombucha and Water Kefir ranges - it'll make your life plain sailing.
