The GUTsy Captain Kombucha contains **healthy living bacteria**

THE GUTsy

CAPTAIN KOMBUCHA

Kombucha, originally from China, has been known for centuries as the immortal health elixir.

We proudly follow the original Chinese recipe: we use high quality, natural ingredients – green tea fermented with organic sugar – and our own culture of live bacteria and yeast (SCOBY). That's how we get authentic, 100% Kombucha, with a great taste.

Pure and yet delicious. Ancient and yet unique. Bubbly and yet fresh tasting.

THE GUTsy

CAPTAIN KOMBUCHA

NATURALLY FERMENTED LIVING GREEN TEA

ZERO

The Zero Sugar version of the GUTsy Captain Kombucha is also made in a traditional, handcrafted way, using only 100% natural ingredients.

In fact, we use the same ingredients as in the kombucha core range. The difference is that in the end of a longer fermentation process there's no sugar left, leaving... well... Zero Sugar.

An even healthier alternative for those who look for 100% sugar-free drinks.

THE GUTSY

CAPTAIN ELECTROLYTE

HYDRATES MORE THAN WATER

met een ideale mix van natrium, kalium, magnesium en calcium

TRAINING HARD?

PUSHING THROUGH A HEATWAVE?

BOUNCING BACK AFTER A BIG NIGHT?

HYDRATION IS NOT JUST ABOUT WATER

Sweat takes away essential electrolytes that water can't replace. Without them, your muscles tire faster, your focus slips, and recovery slows down.

WHY WATER ISN'T ENOUGH

Water quenches thirst, but it doesn't restore balance. When you sweat, you lose sodium, potassium, magnesium, and calcium — minerals that are vital for energy, muscle function and mental sharpness.
