The GUTsy Captain Kombucha contains healthy living bacteria

THE GUTsy CAPTAIN KOMBUCHA

Kombucha, originally from China, has been known for centuries as the immortal health elixir.

We proudly follow the original Chinese recipe: we use high quality, natural ingredients – green tea fermented with organic sugar – and our own culture of live bacteria and yeast (SCOBY). That's how we get authentic, 100% Kombucha, with a great taste.

Pure and yet delicious. Ancient and yet unique. Bubbly and yet fresh tasting.

ORGANIC

The Zero Sugar version of the GUTsy Captain Kombucha is also made in a traditional, handcrafted way, using only 100% natural ingredients.

In fact, we use the same ingredients as in the kombucha core range. The difference is that in the end of a longer fermentation process there's no sugar left, leaving... well... Zero Sugar.

An even healthier alternative for those who look for 100% sugar-free drinks.

Grown Wild and Crafted with Nature

Belvoir Farm is home to a refreshing and sustainably made range of cordials and ready to drink pressé's that were first developed over 30 years ago by the Manners family. Well and truly crafted by nature, the Manners family grow much of their elderflowers within a 60 acre organic plantation near the farm and are proud to only use simple, honest ingredients you can trust. Choose from cordials to dilute, or ready to drink sparkling pressé's including organic varieties all still made on the family farm today.
