# **FUNCTION FIRST**

Kombucha, originally from China, has been known for centuries as the immortal health elixir.

We proudly follow the original Chinese recipe: we use high quality, natural ingredients – green tea fermented with organic sugar – and our own culture of live bacteria and yeast (SCOBY). That's how we get authentic, 100% Kombucha, with a great taste.

Pure and yet delicious. Ancient and yet unique. Bubbly and yet fresh tasting.

MIND THE GUT!

GUTSY CAPTAIN

Delicious tast

The Zero Sugar version of the GUTsy Captain Kombucha is also made in a traditional, handcrafted way, using only 100% natural ingredients.

In fact, we use the same ingredients as in the kombucha core range. The difference is that in the end of a longer fermentation process there's no sugar left, leaving... well... Zero Sugar.

An even healthier alternative for those who look for 100% sugar-free drinks.
